

LLOYD JUSTIN C. FELECILDA

Katipunan, Arakan, Cotabato, Philippines | 0963-121-9032 | l.felecilda.544499@umindanao.edu.ph

EDUCATION

Bachelor of Science in Computer Science
University of Mindanao — Davao City, Philippines
August 2023 — Present

TECHNICAL SKILLS

Programming Languages: Java, PHP, Python
Web Technologies: Laravel, HTML, CSS
Database: MySQL
Tools & Platforms: Git/GitHub, Visual Studio Code, Laragon, MySQL Workbench

PROJECTS

Fitness Gym Management System

- Designed and developed a web-based fitness gym management system using Laravel.
- Built features for member registration, scheduling, and gym operations management.
- Implemented database structures using MySQL to handle records and transactions efficiently.

Veterinary Clinic Management System

- Developed a web-based veterinary clinic management system using Laravel as part of coursework.
- Built modules for patient records, appointment scheduling, and clinic workflow management.
- Ensured clean and intuitive UI using HTML and CSS for ease of use by clinic staff.

Fake News Detector

- Built a fake news detection system using Python and DistilBERT, a pre-trained NLP transformer model.
- Trained and evaluated the model to classify news articles as credible or not credible with measurable accuracy.
- Integrated the model into a web interface for practical usability.

Breast Cancer Classifier

- Developed a machine learning web application using Python that classifies breast cancer cases.
- Applied supervised learning models to medical datasets to assist in diagnostic data analysis.
- Built a web interface to allow users to input data and receive classification results.

CERTIFICATIONS

Certified as an Information Technology Specialist (ITS) in Databases — Certiport / (2025)
Certified as an Information Technology Specialist (ITS) in Network Security — Certiport (2026)
Certified as an Information Technology Specialist (ITS) in Cybersecurity — Certiport (2026)

SEMINARS & TRAINING

Internship Readiness Program

- Attended sessions covering professional conduct in the workplace, including workplace etiquette and ethical standards in a professional setting.
- Participated in awareness training on gender sensitivity, prevention of sexual harassment, and promoting mental well-being in academic and professional environments.
